#### **NOTES TO PROGRAM:**

“**Working Group**” - each WP will have separate group managed – moderated - by the responsible coordinator. Individual – **all participants will have to be on one group!** - partners will circulate between the groups and (1) **present their inputs**, (2) discuss the specific problems and (3) agree on further steps with the coordinator. Each coordinator will prepare the program of the consultations and on the 2<sup>nd</sup> plenary session will present the results of the working group, including the proposal for the Conclusions and Recommendations (CAR).

“**Moderators**” will – lead their thematic block, working group, present the objectives, coordinate the discussion with WP/WG.

“**Needs printed text report till workshop**” – each responsible partner/moderator for activities/presentation of WP/WG will have to have prepared short text/table report (half page A4) about their results, outputs of activities/presentation before workshop. This “printed” report will have to be passed to LP on the workshop.

“**Needs text report made on workshop**” – each responsible partner/moderator for activities/presentation of WP/WG will have to prepare short text/table report about their results, outputs of activities/presentation during the workshop. This report will have to be as an input to CAR.
